ERIC SLOANE

A rich treasure trove of legend and lore filled with the unmistakable art and down-home attitude of Eric Sloane

A Celebration of Bells

Eric Sloane and Eric Hatch

Spirited reminders of yesteryear, pealing bells in all their forms — from sleigh to church — ring of America and freedom. In this charmingly illustrated book that begins in ancient times, Mr. Americana Eric Sloane and co-writer Eric Hatch share their boundless enthusiasm for the subject, covering types, sounds, and famous bells, including the world's largest — one that never tolled.

Reprint of *The Little Book of Bells*, Duell, Sloan & Pearce, New York, 1964, and *The Sound of Bells*, Doubleday & Company, Inc., New York, 1966.

160pp. 6 1/2 x 9 1/4.

A Modern Instance

William Dean Howells

A novel centered on the theme of divorce was a radical concept in 1882, and this portrait of a failing marriage captures a transitional moment in literary history. A cornerstone of American realism, it contrasts old and new worlds to explore social and moral issues involving family life and women's traditional roles.

The Money Changers

Upton Sinclair

Originally published in 1908, this cautionary novel from the Pulitzer Prize-winning author of *The Jungle* explores greed and corruption within the American system. Based upon actual events, Sinclair's muckraking milestone follows a group of power brokers who join forces for personal gain, triggering a stock market crash and financial chaos throughout the world.

The King of Pirates

Daniel Defoe

Soon after the success of his beloved classic *Robinson Crusoe* in 1719, Defoe wrote this thrilling tale of high-seas adventure. In a firsthand account, colorful rogue Captain Avery pens a letter of defense against scandalous accusations. In doing so, he draws a rousing portrait of pirate life — deadly deeds, plundered treasure, and a perilous journey to Madagascar.

THE AFRICAN-AMERICAN EXPERIENCE

Brown Girl, Brownstones

Paule Marshall

Hailed by the *Saturday Review* as "passionate" and "compelling" and by *The New Yorker* as "remarkable for its courage," this 1953 coming-of-age novel centers on the daughter of Barbadian immigrants living in Brooklyn during the Depression and World War II. Written by and about an African-American woman, it remarkably foreshadows today's feminist literature.

The Sport of the Gods

Paul Laurence Dunbar

A landmark in African-American literature, this powerful novel was among the first realistic depictions of ghetto life and language. Written by a renowned poet, essayist, and lecturer, its fictional portrayal of social and political issues within an early-20th-century black community foreshadowed the later works of such luminaries as James Baldwin and Richard Wright.

Three Great African-American Novels

The Heroic Slave, Clotel and Our Nig

Frederick Douglass, William Wells Brown, and Harriet E. Wilson

Three African-American classics: *The Heroic Slave*, Frederick Douglass's piercing tale of a slave ship rebellion; *Clotel*, William Wells Brown's prophetic story about a child conceived by Thomas Jefferson and one of his slaves; and Harriet E. Wilson's *Our Nig*, the autobiographical novel of a young mulatto, exploited by the family she works for . . . and the man she marries.

GHOST STORIES

The House on the Borderland

William Hope Hodgson
New Introduction by Mike Ashley

"A classic of the first order," declared H. P. Lovecraft of this hugely influential novel. First published in 1908, this tale of a haunted house in the Irish countryside that provides a portal to another world bridges the era between ghost stories and modern thrillers. Its compelling journey through space and time combines the best aspects of horror, science fiction, and fantasy.
