White Nights and Other Stories

Fyodor Dostoyevsky

From the author of *Crime and Punishment* comes this remarkable collection of short fiction. Ten compelling tales, steeped in Dostoyevsky's characteristic themes of spiritual torment and psychological conflict, evoke life in Czarist Russia. Featured stories include "Dream of a Ridiculous Man," "The Honest Thief," "A Gentle Creature," and the title work.

How Animals Talk

William J. Long

This pioneering study explores communication and powers of premonition among wild and domesticated animals. Based on a lifetime of field observations by a famous naturalist, it examines phenomena that will interest every animal lover — how pets can detect their owners' imminent return, how some creatures can foretell natural disasters, and more.
