Mercer Mayer is one of the most prolific, talented, beloved, and bestselling children's book authors and illustrators of all time. Mr. Mayer began writing and illustrating children's books in 1966 and has published over 300 titles since then. Not only do his books provide great lessons, but the gentle humor shows how the adorable critter and monster characters deal with common issues — fostering child development and socialization skills within the creative story-telling venues.
