Common Core Standards:

The Common Core State Standards Initiative is a state-led effort coordinated by the National Governors Association Center for Best Practices (NGA Center) and the Council of Chief State School Officers (CCSSO). The standards were developed in collaboration with teachers, school administrators, and experts to provide a clear and consistent framework to prepare our children for college and the workforce.

Dover is proud to offer a wide variety of the exemplar texts chosen by the NGA and CCSSO, many of which can be found below and on page 3.

POETRY COLLECTIONS

Honors English 9 teacher uses this book!

"I like my students to write in their books, so I buy each freshman this book and we base our Advanced Placement poetry unit on this book. Students choose one poem, memorize it, then TPCASTT it (AP style of analysis). They then teach the students in the room their poem. It is a great unit and the students love having this book to keep their notes in."
