THE LORD IS MY SHEPHERD

Psalm 23

- ¹The LORD is my SHEPHERD; I shall not WANT.
- ²He MAKETH me to lie down in GREEN PASTURES: he LEADETH me beside the still WATERS.
- ³He RESTORETH my SOUL: he leadeth me in the PATHS of RIGHTEOUSNESS for his name's sake.
- ⁴Yea, though I WALK through the VALLEY of the SHADOW of death, I will fear no evil: for thou art with me; thy rod and thy STAFF they COMFORT me.
- ⁵Thou PREPAREST a TABLE before me in the PRESENCE of mine enemies: thou anointest my HEAD with oil: my cup runneth over.
- ⁶Surely GOODNESS and MERCY shall follow me all the days of my life: and I will DWELL in the HOUSE of the Lord for ever.

IN THEE, O LORD

Psalm 31: 1-8, 23-24

- ¹In thee, O Lord, do I put my TRUST; let me never be ASHAMED: DELIVER me in thy RIGHTEOUSNESS.
- ²Bow down THINE ear to me: deliver me speedily: be thou my STRONG rock, for an HOUSE of defence to save me.
- ³For thou art my ROCK and my FORTRESS; therefore for thy name's sake LEAD me, and GUIDE me.
- ⁴Pull me out of the net that they have LAID privily for me: for THOU art my strength.
- ⁵Into thine hand I COMMIT my SPIRIT: thou hast REDEEMED me, O Lord God of TRUTH.
- ⁶I have hated them that REGARD lying VANITIES: but I trust in the Lord.
- ⁷I will be glad and REJOICE in thy MERCY: for thou hast considered my trouble: thou hast known my SOUL in adversities.
- ⁸And hast not shut me up into the HAND of the ENEMY: thou hast set my FEET in a large room.
- ⁹O love the Lord, all ye his SAINTS: for the Lord preserveth the FAITHFUL and plentifully rewardeth the PROUD doer.
- ¹⁰Be of good COURAGE, and he shall strengthen your HEART, all ye that hope in the Lord.

GOD'S BESTIE

Trait: You never leave the house without wearing your divine friendship broochet.

Flaw: You conflate your personal beliefs with the beliefs of your god.

Quirk: Your god is actively listening to everything you say, even if they don't speak back.

BACKSTORY

Everyone in your family worships the same deity, just not in the same way you do. From a very young age, you've been certain that this god is your best friend. You tell them everything, they grant you cool magic abilities, and they've helped you through some tough times. Like any good friend, you want everyone to know how cool they are. When your bestie is the literal embodiment of the divine, capable of infinite love, it might be hard to form connections with mere mortals. That won't stop you from trying though! You just know that everyone would love hanging out with Zergolath, Avatar of Blood and Bone, if they just got to know them. No one knows Zergolath like you do!

TIP: Talk to your table about expectations when roleplaying gods, especially ones connected to their characters!

THE GHOST CABBIE

Trait: You are polite to all the creatures who need your services.

Flaw: You may be too polite to the creatures who need your services.

Quirk: You don't believe in lucky dice, and instead have a pair of completely mundane dice hanging from your rearview mirror.

BACKSTORY

No one else is going to get those ghosts where they need to be. If you quit, hauntings are going to increase by 300% all over the city. Your taxi meditation transformed the car into something they can touch, and now they're your responsibility. The undead refuse to communicate like the adults they used to be, and no one else wants to hear them clamor and cry. So you'll bring your taxi by, let them phase inside, politely ignore the ectoplasm on the seats, and keep up small talk until they reach their next stop or their final resting place. Then you'll deep clean the seats. Again. The living don't need to see all that.

QUESTIONS

How did you acquire that special taxi meditation?

How do you handle the inevitable taxi haunting incidents?

How do ghosts pay for your services?

MURPHY'S LAWYER

Trait: You're too exhausted to do anything other than go with the flow.

Flaw: You have trouble hiding your horrible memory.

Quirk: You have a rotating collection of good luck charms that you wear around your neck.

BACKSTORY

No matter where you go and what you do, bad luck follows you around like a shadow. You lost your mother in childbirth. Your father got arrested whenever you visit. Hometowns have been ravaged by monsters, workplaces have burned to the ground, and you stub your toe about once every six hours. Your otherwise modest lifestyle makes this never-ending string of ill occurrences all the more perplexing. Did you wrong a deity in a past life? Is there something powerful within you that the world is trying to fight back against? Whatever the cause may be, you hope that one of these days, your good luck charms will start to work.

QUESTIONS

What relationships have you managed to maintain?

How do you cheer yourself up after a bad day?

Has anything ever gone right in your life?

Deify

A Mythical Solo Role-Playing Game

Alllyson D'Antonio. Illustrated by Maia Trewartha

Deify is a captivating, creative writing role-playing game based on mythology from around the world, wrapped in a magnificently illustrated hardcover with gold foil details. Create your own deity; manage divine resources like *domains*, *epithets*, and *mortal champions*; and navigate written prompts with a tarot deck (not included).

DEIFY is a creative writing RPG. *Deify* allows players to chart a story of a god from the moment they are thought into existence to the death or abandonment of their final follower. Players create and develop their deity's life through answering prompts and managing four Attributes, both of which players can keep track of with a journal, online document, or even post-it notes.

BASIC RULES

The game is run by pulling cards from a tarot deck, or even a standard deck of cards and an online generator for the Major Arcana cards. Separate the minor and major arcana cards into two decks. During the game, you will draw one card from the Major Arcana deck, followed by three from the minor arcana. Follow that pattern until you pull "The World," card from the Major Arcana Deck.

Each card corresponds to a specific prompt; these will often feature conflicts your god is experiencing. The prompts will also effect your character's **Attributes**, changing how they develop as the game is played. Players choose how to resolve these conflicts before moving onto the next pull. The prompts can be answered in a short sentence, long paragraph, or even part of a poem.

Minor Arcana cards represent minor events your god is experiencing, such as the emergence of a new pantheon or a war breaking out amongst the mortals. Conversely, Major Arcana cards signify big changes for your deity. The moments that myths are written about. These prompts on these cards should have an impact on the rest of your Deity's story.

Major Arcana cards have two other abilities that distinguish them from the Minor Arcana. First, they can modify the game's rules, giving the player a new ability or challenge for the next set of pulls, (ex. Whenever you would normally gain an Epithet, you now gain a Domain instead.) This new rule stays into effect until the next Major Arcana card is played.

GAMEPLAY

The game always begins with "The Fool" card and ends whenever "The World" card is played. Additionally, there are three "phases" of play that tell you which corresponding prompt to answer for each minor arcana card pulled.

You begin in the **Birth phase** with "The Fool," shift to the **Prime phase** after "The Chariot" card is pulled, and enter the **Decline phase** when you play "The Tower" card. You can enter the latter two phases in any order, but if you wish for a more seamless story, you may choose to remove "The Tower" from the deck at the beginning of play until "The Chariot" card is pulled so you will go through your Deity's Prime phase before their Decline.

Gameplay can go on for as long as the player wishes, but for a quicker game, players may choose to pick the "Chariot" as their first Major Arcana pull after "The Fool," "The Tower" as their second, and finally "The World."

OPTIONAL RULES

FATE

As fate would have it, occasionally a prompt will ask you if a situation goes well, or goes poorly. The prompt may also have two distinct options that the player may have trouble deciding from. In that case, the orientation of the card as it is picked gains importance. If the card is upright, then there is a positive outcome, or if the outcomes are neutral, then it is the first outcome listed. If the card is reversed, the outcome is negative, or the second outcome occurs.
